

David Bedford

David Bedford was born in the West Country and now lives in East Anglia by the sea with his wife Deborah, daughter Isobel and son Tom. He has a PhD in Biology and worked as a biologist in England and the USA, studying antibiotics. He gave it up to write full-time in 1997. He has had several books published by Little Tiger Press, including It's My Turn!, Big Bears Can!, Big Bear Little Bear, Shaggy Dog and the Terrible Itch and What Are You Doing In My Bed? He spends his spare time listening to music and doing T'ai Chi.
