The Fantastic WHERE'S WALLY? School Search

DEAR WALLY-WATCHER,

Are you looking for a fun way to celebrate World Book Day with your school? Join *The Fantastic Where's Wally? School Search* and show your stripes by holding a *Where's Wally?* hunt in your school!

JOIN THE FANTASTIC WHERE'S WALLY? SCHOOL SEARCH

On World Book Day, Thursday 1 March 2018, Wally-Watchers will set off on a hunt to find Wally hidden in schools nationwide. You are invited to hide Wally in your school for eagle-eyed Wally-Watchers to spot. Children who find Wally will receive an 'I Found Wally' card and *The Fantastic Where's Wally? School Search* certificate.

HOW TO TAKE PART

1. Copy and cut out your **mini Wally standee** from the template provided. Mount on card and hide Wally somewhere in your school on World Book Day for children to find.
2. Advertise the event in the lead up to World Book Day with our handy *The Fantastic Where's Wally? School Search* poster. You may want to create a *Where's Wally?* display.
3. Photocopy and cut out the **'I Found Wally' cards** ready to hand out to the children. You may want to choose a designated area where the children know to collect their card from once they have spotted Wally.
4. Children who correctly hand in the **'I Found Wally' card** can receive the special ***Where's Wally?* certificate!**

If you would like more copies of these resources visit www.worldbookday.com/resources to download *The Fantastic Where's Wally? School Search* pack.

PARTY TIME!

You could even host a special *Where's Wally?* World Book Day celebratory event where the children receive their certificates. Children and staff might like to dress up as Wally or Wenda for a fantastic fun event! For simple, easy to follow costume ideas, visit the Book Aid International website www.bookaid.org/world-book-day. Children might also like to raise money for the charity by making a £1 donation to dress up.
