

World Book Day Book Club July reader questions

***Skandar and the Unicorn Thief* by A.F. Steadman, published by Simon & Schuster**

1. This book is set in a world that is not our own – how did you build the image of the setting. You could try listening to A.F. Steadman reading the extract and drawing what you can see in your mind's eye as you are being read to.
2. All the Unicorns and students at the Hatchery are allied with an element – fire, earth, water or air– what would yours be?
3. The students in the extract are moving into a new place for them – did Skandar's experiences remind you of your first days in new situations? What advice would you give to Skandar?
4. Did this book remind you of any others? If so which books? Are there any similar books that you would recommend?
