## World Book Day Book Club February reader questions

### *Me, My Dad and the end of the Rainbow* by Benjamin Dean, published by Simon & Schuster

1. **Based on author Benjamin Dean's Book Club question for readers:**

At the beginning of the book (read the excerpt [here](#)), Archie finds out that his parents are keeping a secret from him. How do you think this makes Archie feel?

2. Archie confides a lot in his friends - do his friends do what your friends would do and/ or what you would expect them to do?

3. Do you think family is more important than friends?

4. Archie and his friends go to a new place to experience something none of them have experienced before – how did this make you feel as you were reading the book?

5. Did this book remind you of anything else you've read – if so, what?
