

Your World Book Day 2023

Plan a World Book Day that works for your Early Years community.

JANUARY

Prepare and plan your World Book Day with your team

Things to think about:

- Are our children being read to regularly at home and in the setting?
- What access to books do they have at home and in the setting?
- How confident are they in choosing books they like?
- How do we recommend books to children and parents? How do we receive recommendations from children and their families?
- Do we make time for them to read?
- How can we make World Book Day a fun celebration that promotes reading for pleasure to our children and parents/carers?
