

## Plan your World Book Day activities using our Reading for Pleasure audit

World Book Day's work is informed by evidence about what supports reading for pleasure.

You can find out more about Our Approach [here](#). Use the table below to map the access children have to our [6 behaviours](#) at home and at school.

	Being read to regularly	Having books	Having a choice in what you read	Finding time to read	Having trusted help to find a book	Making reading FUN!
AT HOME						
AT SCHOOL						

- Look at the gaps - how could your World Book Day activity impact on these?
- How will you communicate your plans with families and include them in your reading community?

Encourage these 6 behaviours with the help of our [Activity Bank](#) and resources at [worldbookday.com](http://worldbookday.com)
