# Book Recommendation **Bingo**

Ask your friends, teachers, parents, local bookseller or librarian and see if you can find books to fill all of these boxes. What will you read first?

A book by an author I like	A book about something I enjoy doing	A book that's like another one I've read
A book I would never have thought of	A book that I want to read because a friend has recommended it to me today	A book that I want to read because an adult has recommended it to me today
A book that will help me learn to do something new	A magazine or comic that is about my hobby	A genre/type of book I've never tried before

We have been able to complete this work with support from The Charity of Sir Richard Whittington, a charity associated with the Mercers' Company.

Don't forget that you can listen to books too – libraries have lots of audiobooks for you to enjoy for free. You can also explore World Book Day's World of Stories.
