WORLD BOOK DAY®

creating the readers of the future

The charity World Book Day was set up to encourage children and young people to love books and reading and offer them the opportunity to have a book of their own. World Book Day is a chance for everyone to come together and highlight how, when children choose to read as a hobby, it can make a significant impact on their future life chances¹.

How the £1/€1.50 book tokens work

Nearly **1 million children** in the UK don't have a book of their own². **With your help**, World Book Day offers every child and young person the opportunity to **exchange their £1/€1.50 token for a free book**.

For many children their visit to YOUR shop with token in hand could be the moment that inspires a life-changing love of reading. For 1 in 5 children receiving Free School Meals, the book they chose to buy with their £1 book token is the first book of their own³.

The journey of a book token

World Book Day send £1/€1.50 book tokens to children via schools and early years settings. Tokens also available through magazines, McDonalds and community partnerships

Child goes to participating bookshop, supermarket or high street retailer with their token

Bookseller buys the £1/€1.50 books from publishers and gifts them to children in exchange for their token

Child chooses and owns book

Read Your Way

In 2024, we're putting children's voices at the heart of World Book Day. Use the **Read Your Way** message to celebrate children's choices and help them discover the fun of reading, on their own terms.
