

Shaun the Sheep

TALES FROM
MOSSY BOTTOM FARM

HOW TO DRAW BITZER

MATERIALS

Pencils

A large sheet of paper

STEP 1 Copy the shape in the diagram. (It looks a bit like a nose!)

STEP 2 Give your "nose" two legs.

STEP 3 Add droopy balloon shapes. (These are Bitzer's ears.)

STEP 4 Draw Bitzer's mouth. This is a curved line that loops back on itself at one end.

STEP 5 Add a circle for Bitzer's nose. Then draw his hat, which is a half circle with a curved line for the rolled brim. Copy the picture here.

STEP 6 Give Bitzer some teeth and eyes. You can add colour too if you want.

Shaun the Sheep

TALES FROM
MOSSY BOTTOM FARM

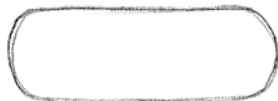

HOW TO DRAW SHAUN

MATERIALS

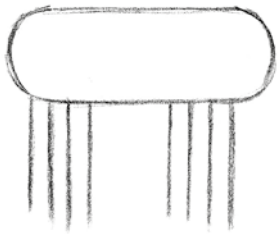

Pencils

A large sheet of paper

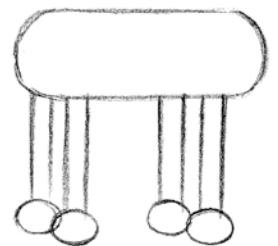

STEP 1 Draw a sausage.

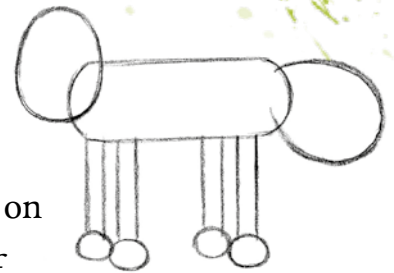

STEP 2 Add eight lines (these are going to be Shaun's legs).

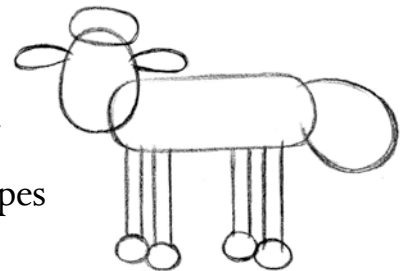

STEP 3 Join two of the lines together with a circle. Repeat for the other six lines, to create Shaun's feet.

STEP 4 Draw an egg on the left-hand side of your sausage shape. Then add a balloon-shaped circle to the other side.

STEP 5 Give Shaun some ears and hair by copying the shapes on the drawing.

STEP 6 Add some features by drawing Shaun's eyes and making his wool fluffy. You can even add colour if you want.
