HELLO, MONSTER!

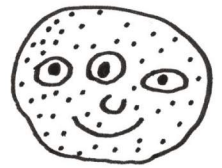

Make Your Own Monster Mask

On a separate sheet of paper, or a paper plate, draw your own imaginary monster.

You might want to think about:

WHAT SHAPE IS THEIR HEAD?

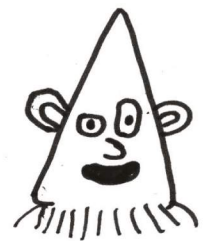

HOW MANY EYES DO THEY HAVE?

DO THEY HAVE LOTS OF TEETH?

ARE THEY FRIENDLY?
OR ARE THEY SCARY?

DO THEY HAVE FUR, SCALES, SPOTS OR SOMETHING ELSE?

Once you have drawn and decorated your mask, ask an adult to help you cut around your mask. Stick a lollypop stick to the back.

Your monstrous mask is ready to wear!
