

# EXTENSION ACTIVITY

When children have finished drawing their cakes ask them to take turns to describe how their cake looks, tastes and feels. Is it soft, spongy, crispy or crunchy? Etc.

## What's in the basket?

Can you remember what tasty treat Little Red Riding Hood's mother had made for her to give to Grandmother? Draw it in the basket.

## EXTENSION ACTIVITY

Can children use the puppets to act out an imaginary conversation between two of the characters? Encourage them to experiment with different voices.

# Act it out

Cut out the characters and stick them to pencils or lolly sticks to make puppets. Act out the story, or make up your own!

BOOK  
tokens**

**EXTENSION  
ACTIVITY**  
Using the cards as prompts, ask  
children what they can remember  
about the story. Can they recall the  
story in their own words? Can they  
make up a different ending?

# Story sequencing

Cut out the cards and put them  
into the correct order.

**EXTENSION  
ACTIVITY**  
Play a game of 'spot the difference'  
using a selection of items on a tray.  
Let children examine them then, as  
they look away, move or remove  
one or more of the items. Can  
children see what's changed?

# Spot the difference

Look carefully at the pictures. Can you spot **five differences** between them?

Answers: The differences are: 1. The butterfly is missing. 2. Little Red Riding Hood's tights and shoes are yellow. 3. The flower is not in the wolf's paw. 4. The hedgehog is missing. 5. The cottage is blue.
