1. Draw round the **ear template** twice on to yellow card with a pencil. Cut them out.

1. Draw round the **ear template** twice on to black card or stuff two black socks with newspaper or something soft. Staple them inside the red beret.

2. Cut a strip of yellow card. Hold around your head and staple into place (cover the staples with sellotape for safety). Then staple the ears to the yellow ring. There you have it!

2. Use the **collar template** to make the collar. Add black and white facepaint, a red jumper and a homemade stuffed Sir Bobblysock and you're good to go!
