### ABOUT THE AUTHOR:

Matt Lucas is an actor and comedian, and the author of five bestselling books for children, including three non-fiction titles in the My Very...Silly series. ### ABOUT THE ILLUSTRATOR:

Sarah Horne is the bestselling illustrator of *Charlie Changes Into a Chicken*. She first learned to draw aged nine, when she needed to explain to the hairdresser how she wanted her hair to be cut. Since aged nine, Sarah's drawing has got better and better, and she now has over 70 titles to her name.

### ABOUT THE BOOK:

Jam-packed with incredible facts and super-silly jokes from the king of comedy Matt Lucas, this book will have your laughing your socks off . . . while learning astonishing things about the world we live in!

## OUR FRIENDS AT CORAM BEANSTALK HAVE CREATED CONVERSATION STARTERS AND GAMES TO HELP YOU GET INTO THE WORLD OF THE BOOKS:

### A CONVERSATION STARTER AND A GAME

**CONVERSATION STARTER** "if anyone is reading this book and wondering where the correct grammar and punctuation are they send their apologies but they have gone on a break..." Is there any point in punctuation?

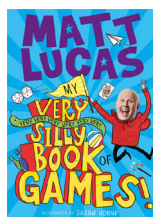

### GAME: WOULD I LIE TO YOU? 2+ PLAYERS.

First player tells the other(s) something that could be 1) a thing that's true about them but they think the other(s) wouldn't expect of them or 2) a thing that isn't true about them but they think the other(s) will believe of them! Other player(s) can ask up to 3 questions (in total) to help them try to work out if they believe the story player one is telling. After 3 questions the other player(s) have to guess if the story is a true or false. If they get it right, they earn a point (each). If they get it wrong, player one gets a point. The winner is the first player to 3 points.

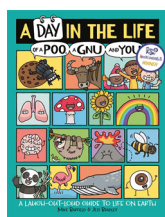

### AN ACTIVITY TO TRY

Make up your own very silly true or false question about your favourite fact and try it on your friends and family.

If you  
liked  
this then
