Put on a Supertato puppet show

Make your own set of puppets to get in bubbly trouble

YOU WILL NEED:

- Scissors
- Glue/tape
- Lolly sticks/straws (optional)

WHAT TO DO:

- 1 With an adult's help carefully cut out each of the characters.
- 2 To use as finger puppets – measure the band around your finger and stick using Sellotape or glue.
- 3 To use as hand puppets – cut off the band and stick to a straw, lolly stick or stick from the garden or park.

How to USE your puppets:

- **Retell the story**
You might want to get out other tins and packets to use to set up your supermarket. Perform the story to someone or take it in turns to be different characters with your friends.
- **Get your puppets into some bubbly trouble**
Ask an adult to blow bubbles and get your puppet to pop as many as they can.
- You may want to cover your puppets in Sellotape to stop them getting soggy.

Draw your bubbly creations

The veggies have lots of fun making bubbly creations in the bath from bubbly beards to a Bubble-A-Saurus. What would you make with bubbles in the bath? **Draw** and **colour** your ideas in the bubbles below or ask an adult to photograph your best bubbly creations and stick them in the bubbles.
