Wowza! Lyrics

CHORUS

Wowza... I've just found this voucher! Huh!
Let me take a closer look!...
Hmmmm!
It says I get a free book.
No wayyyyyy.... No way! Yep!
And I'm already hooked.
It's World Book Day and I'm on my way to go and
get a book!
Go!

VERSE 1

Now I'm going on a book hunt,
Gonna grab a good one,
What a beautiful day!
We're not scared of...
Tigers who come to tea,
That shark in the park can come for me...
'Cause I'm from where the wild things are,
Let's let this rumpus start!
From where you are to Narnia on World Book Day
we party hard!
"Excuse me, there's a monster!"
I told you not now Bernard!
Oh help! Oh no...I've just seen a Gruffalo,
Get pooped on by a dinosaur,
Goodnight moon I've got to go!
Stop! Don't flinch. I've just seen a Grinch;
So pass me Billy's bucket,
I'll chuck it to earn an inch!
So my ten little fingers and my ten little toes,
Like the jolly postman can go and hit the road.
Oh, the places you'll go...float away like paper dolls.
Reading is dreaming with your eyes open:
It's magical!

REPEAT CHORUS

VERSE 2

A told B and B told C,
Go and ask the witch if there's room on the broom
for me!
But like Hairy Maclary I'm scared,
But if you dare me I'll find my lion inside...

Wait a second...where is he?
Oi Frog, have you seen him?
I'm trying to find my lion.
"Lions sit on irons," he said, "that's where you'll find
him."
I'm the koala who could,
Walking through a wood,
Listening to a bear playing piano and he's pretty
good!
Shhhhhhhh!
Hey, Brown Bear, Brown Bear,
What do you see?
"A caterpillar over there, and he looks very hungry!"
Then, "Wow!" said the owl...
"You should ask the ladybird."
I have already asked her, but she never said a word.
Oh, I still can't find my lion!
Maybe this is it.
Maybe I should give in like the day the crayons quit.
Or Maybe I'll go home alone in my pyjamas,
Like Llama and call my mumma and tell her all
about this drama!
Or maybe things will turn out good,
Like the little engine that could!
'Cause books can make you better ,
Ask the Rainbow Fish and Elmer!
They surprise you like Handa,
Feel them in your funny bones,
And now I know that my own lion was inside all
along.
Oh, the places you'll go... Float away like paper
dolls.
Reading is dreaming with your
eyes open:
It's magical!

REPEAT CHORUS

OUTRO:

Wait a second...where's Wally?
And I'm already hooked.
It's World Book Day and I'm on my way to go and
get a book!
Go

Song Lyrics

Reading is Amazing Lyrics:

INTRO

Wakey wakey, rise and shine!
Grab your outfit and get dressed...
...you've still got time!
Huh? Time for what?
It's the best day of the year, my friend.
Huh! What day is it?
It's World Book Day!
No way!

CHORUS

Hey, it's World Book Day!
So it's time to celebrate.
Got my outfit and I'm bouncing along to my favourite place!
(Where you going?)
I'm going to pick a good book,
With my crew then take a look at...all the pages,
Stay for ages,
'Cause reading is amazing every day!

VERSE 1

Hey! That's me:
The boy at the back of the class.
A wimpy kid feeling marvellous like George...
'Cause I'm a book worm with a library book.
I'm a borrower, get it?
Yeah, I'm captain hooked!
And I've been to Planet Omar,
Sitting on my sofa,
Next to a gopher.
Oi! Move over!
Wicked, I can be a wizard like Mr Potter, sing it:
Wingardium leviosa!
Have you ever wondered like Auggie Auggie Auggie?
Oi oi oi!
If there's a better hobby?
Than reading, O-M-G, it's like dreaming!
The BFG and the tree that keeps giving.
'Cause I can go anywhere, chill with Charlotte in her web,
Meet Paddington and have marmalade sandwiches.
Meet the Mad Hatter and Alice in Wonderland!
Run! Mr McGregor's coming,
Why? I'm Peter Rabbit, man!
Cos books will transform ya,

They will transport ya,
Guess how much I love them?
Hmmmmmm... more than, this much.
Fiction and non-fiction.
They make me feel like Charlie with the golden ticket!

REPEAT CHORUS

VERSE 2

Tra la la!
I've just met a Gangsta - Granny!
Whaatttt?
And then I met a champion, Danny!
Whaatttt?
And Mary Lennox!
Where?
Shhhhhh! In a garden that is secret!
Who let the Gods out?
Me me!
But who made these holes, man? Stanley!
See once you learn to read you'll forever be free.
Why?
The sky's the limit,
it's a high-rise mystery!
Once upon a time there were three little pigs,
and a wolf outside their crib.
Oh no!
He huffed and he puffed until he had enough.
Then he fell down the chimney.
Let's go!
In between the bookends,
I've made a lot of good friends.
Cos' books talk...
and they listen!
So to all my little leaders
No matter where you're from,
It's okay to be different - like Julian.
So go and wear your proudest blue,
Be proud of you.
Don't worry, Ruby,
Reading empowers you!
And all are welcome,
When you join the book club.
And like Rocket, you see magic when you look up!

REPEAT CHORUS

Song Lyrics

Readers are Leaders Lyrics:

INTRO CHORUS

When I'm feeling down and I'm all alone, I find
my hiding place where no one goes.

I pick my favourite book and I dive straight in ...to
another world...

Yeah yeah yeah yeah yeah-yeah-yeah!

VERSE 1

You can be like Dora,

A famous explorer,

You can train a dragon...

And teach it to roar!

You can go to Narnia,

Open a door,

Or you can be a rockstar,

Rocking out on tour!

You can go to Neverland to go and see Peter, Meet
Leonardo and paint Mona Lisa,

You can be a doctor,

Or you can be a teacher.

You can be like Martin Luther King and speak to.

All of my readers,

And all my dreamers,

Books are the keys to make you a leader.

So if you love reading, hands to the ceiling and sing:

Yeah yeah yeah yeah yeah-yeah-yeah!

CHORUS

All of my readers!

All of my leaders!

All of my dreamers sing!

Yeah yeah yeah yeah yeah-yeah-yeah!

Yeah eh eh,

Yeah eh eh eh,

Yeah yeah eh,

Yeah yeah yeah yeah yeah-yeah-yeah!

Yeah eh eh,

Yeah eh eh eh,

Yeah yeah eh,

Yeah yeah yeah yeah yeah-yeah-
yeah!

VERSE 2

Welcome to the book club,

Where we show books love,
You don't need good luck,
If you're picking books up.
'cause you'll be on adventures,
To other dimensions,
Anything is possible,
Written in a sentence.

You can be a dentist,
A sorcerer's apprentice,
Sit with Rosa Parks,
Or see what Malcom X did,

Do the unexpected,
Climb Mount Everest,
Or you can be like Sherlock,
A private detective.

You can go anywhere,
You can be anything!
You can find a friend like you,
Or an enemy,
You can go to battle,
Or you can read the recipe,
You can find treasure,
Open sesame.

Go where you want,
Books form a bond,
They'll always be there,
They're like a magic wand.
Better yet a passport,
What more can you ask for?
So if you love reading,
Let me see your hearts up and sing!

REPEAT CHORUS

OUTRO CHORUS

When I'm feeling down and all alone,
I find my hiding place where no one goes.
I pick my favourite book and I dive straight in ...
