

ELMER

Activity Pack

 **ANDERSEN PRESS**

Enjoy watching the video of *Elmer* together; **look at the pictures, pause the video when the bubbles pop up to talk about it with your child/class, and then have fun completing the activities.**

The activities are designed for children in Early Years and Years 1 & 2 to help develop confidence in reading together as a family at home or in school/nursery.

Elmer is a much-loved classic story written and illustrated by **David McKee**, published by **Andersen Press**.

A camouflage challenge

Can you use natural materials from your garden or park to hide a potato or other vegetable from your family and friends?

Note: do this activity with an adult, as some things you might find in the garden can be poisonous.
